NO PRESSURE!

THE WORD DISPENSER

126 PROMPTS / 126 PHRASES / 32 RYAN BONUSES

PLAYERS	CARDS IN HAND	WIN
3–6	5	First to 5 or more

01 PRINT & CUT

Print single-sided on US Letter at Actual Size / 100%. Leave the board on page 2 whole. Cut the cards on pages 3–34 and tokens on page 35. The source key is optional.

02 STOCK THE MACHINE

Shuffle the Phrase and Ryan Bonus cards together. Deal five to each player. Shuffle the prompts separately. Each player takes a marker and a No Pressure coin. Start at 0 and pick a Judge.

03 VEND A LINE

The Judge reads a prompt. Everyone else plays one answer face down in the Drop Chute. The Judge shuffles the answers, reads each one in the blank, and picks the funniest. Any answer can go with any prompt.

04 SCORE & RESET

Winning Phrase = 1 point. Winning Ryan Bonus = 2 points total. Scoring 5 or more wins. Otherwise discard the prompt and played answers, refill hands to five, then pass the Judge marker clockwise. Reshuffle discards if a deck runs out.

05 SPEND YOUR NO PRESSURE COIN

Once per game, spend your coin to play two separate answers in one round. The Judge still picks only one winner. Score 1 or 2 points based on the winning card, just like any other round.

SAMPLE VEND

Prompt: All I saw was _____ spread while eating my steak. It was. Alarming.
Ryan Bonus: Buckets of dumb-dumb-juice. 2 points if it wins.
